

Audition Prep 2020 Schedule

Friday, August 7 – Sunday, August 9

Audition Prep is a 3-day audition “boot camp” for high school-aged participants (juniors and seniors preferred) who are preparing for auditions. We offer all the resources you need for auditioning for a university music program, All-State, a summer music program, or competition, and we will also teach managing stage fright! Included is one private lesson with camp faculty, one group lesson, performances in the daily Master Class and Audition Class, and performance in camp-wide mock audition. The Master Class will address topics such as preventing injury, managing performance anxiety, and developing essays and resumes for conservatory auditions. The Audition Class will go over audition requirements, and auditioning in both the classical and jazz setting. There will also be evening performances by faculty artists Amanda Dame (flute) and Ana Nelson (saxophone/clarinet).

Daily Schedule:
